Republicans gained a State Senator in the twenty-third District, where a Republican succeeded Charles McClellan (Democrat), who resigned to accept a federal appointment. The Senate holds five and is strongly Republican.

The vote on the canal amendment was almost every instance reported. In almost every instance reported, the vote was in favor of the canal.

IN MARYLAND.  
Returns Indicate a Safe Democratic Victory.

(Special to The Times-Dispatch.)  
BALTIMORE, MD., Nov. 3.—Returns at 2:30 A. M. indicate the election of Ward, Democrat, for Governor by a margin of 3,000 to 5,000 plurality.

The Democrats will control both houses of the Legislature, which will elect a successor to Louis E. McComas, Republican.

Owing to the length of the ballot and its cumbersome nature, the count will not be completed in many of the counties till late on Wednesday.

McSherry, chief judge of the Court of Appeals, is apparently defeated for reelection, though the full returns may change this.

In the counties the two parties broke about even, and the successful candidate will get his majority in Baltimore city.

An unusually heavy vote was polled and thousands of ballots were rejected for defective marking.

The Democrats have elected their entire slate of officers in Baltimore city and in majority of the counties.

In this city the returns indicate that hundreds of the Wachtler ticket of Republicans voted the entire Democratic ticket to break even.

Senator McComas, who they charged was responsible for the defeat of Congressman Wachtler when he ran for Mayor last spring. It is probable that Senator McComas has lost the legislative delegation from his own county.

IN OHIO.  
Republicans Break All Records in Hanna's State.

(By Associated Press.)  
COLUMBUS, O., Nov. 3.—The Republicans broke their record in Ohio to-day in pluralities for Governor by electing Myron T. Herrick, Republican, over Mayor Tom L. Johnson, Democrat, by a considerable over 100,000. The plurality on joint ballot of over 100 in the Legislature for the re-election of Senator Hanna, more than doubles any previous record.

On account of the vote on five constitutional amendments, the counting was delayed all over Ohio to-night, and when the returns were received they could not be compared with those of any preceding State election, as the voting precincts in seventy-one municipalities with 5,000 population or over, had been changed under a new municipal code.

The Democratic State Committee early abandoned its room to-night and gave out its statements.

Chairman Dick, of the Republican Committee, said the result was due to the "remarkable personality of Hanna, popularity of Herrick, endorsement of Roosevelt, and the State administration," and these conditions brought about harmony among the Republicans, while the Democrats were divided into factions and especially "one great faction that repudiated the single tax and other fads and isms of Tom Johnson."

The scenes at the City Hall, where Chairman Dick, Secretary Malloy and others received to-night, were at times wild as the bulletins announced the election of Republican Hanna over the Democratic Johnson.

The Legislature from such close and Democratic counties as Hocking, Vinton, Coshocton, Knox, Ross, Paulding, Muskingum and Williams. John H. Clarke, the Democratic opponent of Hanna for Senator, being recently removed from Youngstown, Mahoning county, to Cleveland and when the returns showed that the Republicans had elected both members of the Legislature from Mahoning county, there was a great demonstration, as there was when it was announced that the Johnson-Jones Fusion at Toledo had failed by the largest plurality ever known in Lucas county. The greatest demonstration of the up-State Assembly district, however, no reports had been received. In New York county the Republicans had defeated an Assemblyman, seven districts being unreported. NEW YORK STATE.  
(By Associated Press.)  
NEW YORK, Nov. 3.—Returns from the State indicate the election of Republican Charles D. Clark, Democrat, over Mayor John A. B. McKim, Republican, by a margin of 10,000 to 5,000 plurality.

IN KENTUCKY.  
Re-Election of Beckham by 15,000 Seems Assured.

(By Associated Press.)  
LOUISVILLE, KY., Nov. 3.—The re-election of John W. Beckham, Republican, to the Governorship of Kentucky, by a margin of 15,000 to 5,000, seems assured. The Republicans concede the election of Governor Beckham.

The day in Louisville was an exciting one, and the election was bitterly fought. The Republican ticket was expected to have a heavy margin, but the Democrats had a strong showing in the city.

publican election officers and the intimidation of negro voters by policemen and firemen of the present Democratic city administration.

The Eleventh District, composed of Richmond, Henrico and Hanover counties, last year furnished 19,000 Republican majority, and will probably duplicate it this year. Returns from that district will not be completed before Thursday. Beckham's majority outside the Eleventh District is estimated at 80,000. None of the counties in the district have been heard from.

IN MASSACHUSETTS.

Election of Bates, Republican, Assured by Big Majority.

(Special to The Times-Dispatch.)  
BOSTON, MASS., Nov. 3.—Although official returns from the still uncounted State and yet all in the election of John L. Bates and the entire Republican ticket for executive offices is conceded, Bates defeating last year by over 40,000.

The balance of the Democratic ticket, headed by E. B. Easley, formerly of Richmond, for State Secretary, showed up well.

Gaston ran ahead of his ticket in Boston, and several other places, but the others polled only a fairly heavy vote.

In Springfield, Easley's home, he polled a good vote, but interest seemed to be lacking in this city, as well as in Worcester and North Andover. Gaston was the candidate who was scratched, many voters casting their ballots for Bates and the Democratic candidates for the balance of the ticket.

Unofficial counters and party leaders have been so busy with the heads of tickets that they have had no time to foot up the totals for the others.

Easley polled a heavier vote proportionately in Boston than in his home city.

IN RHODE ISLAND.  
(By Associated Press.)  
PROVIDENCE, R. I., Nov. 3.—At midnight the returns indicate the re-election of Governor Garvin (Democrat) by a greatly reduced plurality. The vote is very close, however, and the result probably will be in doubt until the last day of the election.

The Republican State Central Committee claimed that later returns would overcome Garvin's lead at midnight over Colonel Colt, Republican.

In Providence, Mayor Miller (Democrat) was re-elected.

Owing to the isolated situation of many towns and the fact that the polls did not close until 7 P. M., complete returns will not be received before to-morrow.

IN NEBRASKA.  
(By Associated Press.)  
LINCOLN, NEB., Nov. 3.—Based on late returns from 115 voting precincts outside of Lancaster county (Lincoln), the Douglas county (Omaha), the Republican State Central Committee at midnight made the claim of the election of the Republican ticket by a margin of less than 10,000 plurality.

The claim is considered conservative and newspaper returns tend to confirm it. The vote for the 115 precincts in the State gave Barnes (Rep.), 9,642; Sullivan (Fusion), 8,000.

The same precincts two years ago gave Barnes 10,000; Sullivan 8,000. Barnes' lead, a change so slight that it will require a Fusion landslide from an unexpected quarters to overcome the Republican plurality of 12,000 of two years ago.

IN IOWA.  
(By Associated Press.)  
DES MOINES, IOWA, Nov. 3.—Returns received up to midnight indicate the re-election of Governor Cummins by a plurality of 60,000, and of his associates on the Republican ticket, by substantially the same pluralities.

At midnight the Republican headquarters in Iowa City reported that the relative returns, although not complete, indicate little change from two years ago, when the House contained 52 Republicans and 18 Democrats, and the Senate 40 Republicans and 10 Democrats.

IN MISSISSIPPI.  
(By Associated Press.)  
JACKSON, MISS., Nov. 3.—The vote in to-day's election was light. The Democratic ticket, headed by J. K. Vardaman for Governor, was elected, there being no opposition.

From returns received at midnight it is doubtful if the vote will reach 30,000. The ticket headed by J. K. Vardaman for Governor, was elected, there being no opposition.

IN PENNSYLVANIA.  
(By Associated Press.)  
PHILADELPHIA, PA., Nov. 3.—Estimates from the thirty-seven counties of the State indicate a plurality for Mathews (Rep.), for State Treasurer of 217,784. Snyder, for Auditor-General, who became the object of criticism, because, as a State Senator, he voted for the "trust" law, known as the "trust" law, is popularly known as "very little." It is apparent from the nature of the estimates received during the night that the Republican plurality may exceed 226,000.

IN PHILADELPHIA.  
(By Associated Press.)  
PHILADELPHIA, PA., Nov. 3.—All the candidates on the Republican city ticket, which included District Attorney and other offices, but not Mayor, were elected to-day by a usual large Republican plurality. Although the vote was not heavy, the official figures will show a plurality for the several candidates of probably more than 10,000.

The election was one of the quietest had here in years. There were no factional differences in the Republican ranks, and the Democratic ticket was divided, the bolting faction styling itself "The Independence party." The vote of the Independence party was not large.

COLORADO.  
(By Associated Press.)  
DENVER, COL., Nov. 3.—With nearly full returns from the State, there seems little doubt of the re-election of John Campbell (Republican) for judge of the Supreme Court. No other offices were filled by this year's election.

The vote has been light throughout the State and returns are very incomplete. The Daily News (Democrat) concedes the election of Campbell. The Republican State Committee claims Campbell's election by 5,000 to 7,000 plurality over Wilson.

## DR. SHOOP'S RHEUMATIC CURE

COSTS NOTHING IF IT FAILS.

Any honest person who suffers from Rheumatism is welcome to this offer. For years I searched everywhere to find a specific for Rheumatism. For nearly 20 years I worked to this end. At last, in Germany, my search was rewarded. I found a costly chemical preparation that I do not mean that Dr. Shoop's Rheumatic Cure can turn bony joints into flesh again. That is impossible. But it will drive from the blood the poison that causes pain and swelling, and then that is the end of Rheumatism. I know this of my own experience. I cannot cure all cases within a month. It would be unreasonable to expect that. But most cases will yield within 30 days. This trial treatment will convince you that Dr. Shoop's Rheumatic Cure is a power against Rheumatism—a potent force against disease that is irresistible.

My offer is made to convince you of my faith. My faith is built on the outcome of experience of actual knowledge. I KNOW what it can do. And I know this so well that I will furnish my remedy on a trial. Simply write me a postal for my book on Rheumatism. I will then arrange with a druggist in your vicinity so that you can secure six bottles of Dr. Shoop's Rheumatic Cure to make the test. You may take it to full month of trial. If it succeeds the cost to you is \$5.00. If it fails the cost is mine and mine alone. It will be left entirely to you. I mean that exactly. If you say the trial is not satisfactory I do not expect a penny from you.

I have no samples. Any more sample that can affect chronic Rheumatism must be dragged to the verge of danger. I use no such drugs for the disease out of the blood. I use only the remedy that I have found. I have found it. I have cured the oldest cases that I ever met, and in all of my experience, in all of my 2,000 tests, I never found another remedy that would cure one chronic case in ten.

Write me and I will send you the book. Try my remedy for a month, for it can't harm you anyway. If it fails the loss is mine.

Address Dr. Shoop, Box 355, Racine, Wis. Mild cases not chronic are often cured by one or two bottles. At all druggists.
